The practice of striking beautiful coins in celebration of a significant event is an ancient one. We have found inspiration in this timeless tradition and with your unique experience in mind, we will create a SPECIAL EVENT TOKEN marking your pride and excitement. Your loved ones will revel in the opportunity to take away a piece of that pride, a beautiful coin with a message that is truly and only yours. For you and your partner alone, we will create a custom made wedding band, discreetly inscribed with a symbol of your dedication to one another. Congratulations and enjoy the party!
