

PLATINUM WINNER

Highly polished platinum opal and diamond ring by Herman Hess, Foresite Jewellery, Toronto

Four highly polished platinum columns, each topped with a princess cut diamond boldly surround a black opal weighing 3.17 carats. Total diamond weight is 1.21 carats.

"When I found out I won, I had a smile on my face for a whole week. The fact that industry experts voted for my work made it that much better. They really know how hard it is to make this kind of a piece, which means a lot."
